1: Identification of	substance / mixture				
1. Product Identif	ier			Mixture	
Product Name	LB Broth High Salt 1L	<b>Buffered Capsules</b>			
Product Code	L24045				
CAS Number					
Other Names	Millers LB Broth 1L buffe	ered capsules			
IUPAC					
MFCD Number					
EC/EINECS					
REACH Number			Index-No		
	ified uses of the substand	e or mixture and			
Research and Dev			uses advised against		
3. Details of the s	supplier of the safety data	a sheet			
Melford Laboratori	es Ltd				
Bildeston Road,Ch	elsworth				
lpswich					
Suffolk		Telephone:	01449 741178		
IP77LE UK		Fax: Email:	01449 741217 support@melford.co.uk		
4. Emergency tel	enhone number		support@menord.co.uk		
+44(0)1449 74117					
2. Hazards Identif	ication				
1. Classification	of the substance or mixtu	re			
Non Hazardous					
2. Label elements	\$				
Non Hazardous					
Hazard Statemen	its				
Non Hazardous					
Precautionary Ph	nrases				
Non Hazardous					
3. Other Hazards					
Non Hazardous					
3. Composition / Ir	nformation on Ingredients				
1. Substances					
Product Name		Hazards		Concentration	
LB Broth High Salt	1L Buffered Capsules				
				<=100%	
4. First Aid Measu	res			· · · · · · · · · · · · · · · · · · ·	
1. Description of f	first aid measures				
Skin Contact Wash immediately with plenty of soap and water.					
Eye Contact Bathe the eye with running water for 15 minutes.					
Ingestion	, ,				
-					

## Safety Data Sheet

	Wash out mouth with water.	
	Consult a doctor.	
Inhalation	Supply fresh air; consult a doctor in case of complaints.	
2. Most importa	ant symptoms and effects	
	nild irritation at the site of contact.	
I nere may be irr	ritation to mucous membranes and upper respiratory tract.	
3. Indication of	f any immediate medical attention	
No additional me	easures required	
5. Firefighting m	easures	
1. Extinguishin	ng Media	
Suitable	Water spray. Carbon dioxide.	
	Alcohol or polymer foam.	
	Dry chemical powder.	
Unsuitable	None	
2. Special Haza	ards arising from the substance or mixture	
In combustion to	oxic fumes may form.	
3. Advice for Fi	ire Fighters	
Wear self-contai	ined breathing apparatus.	
6. Accidental Re	elease Measures	
	ocautions	
1. Personal Pre	ecautions

# Safety Data Sheet

The end use(s) have not been fully determined. The substance is supplied for Research and Development purposes by professionals only.

## 8. Exposure Controls/Personal Protection

## **1. Control Parameters**

No Data Available

## 2. Exposure Controls

General protective and hygiene measures	The standard precautionary measures should be adhered to when handling
Engineering measures	Ensure there is sufficient ventilation of the area.
Eye / Face Protection	Safety Glasses.
Hand protection	Protective gloves.
Respiratory protection	Respiratory protective device with particle filter.
Skin protection	Protective clothing.
Other personal protection advice	no data

#### 9. Physical and Chemical Properties

#### **1. Physical and Chemical Properties**

Appearance	tan solid
Odour	characteristic odour
Odour threshold	No Data Available
PH	No Data Available
Melting point / Freezing point	No Data Available
Initial boiling point and boiling range	No Data Available
Flash point	No Data Available
Evaporation rate	No Data Available
Flammability(solid,gas)	No Data Available
Upper/lower flammability or explosive limits	No Data Available
Vapour pressure	No Data Available
Vapour density	No Data Available
Relative density	No Data Available
Solubility(ies):	Soluble in water
Partition coefficient: n-octanol/water	No Data Available
Auto-ignition temperature	No Data Available
Decomposition temperature	No Data Available
Viscosity	No Data Available
Explosive properties	No Data Available
Oxidising properties	No Data Available

#### 2. Other Information

No additional information available

## 10. Stability and Reactivity

#### 1. Reactivity

no unusual reactivity

#### 2. Stability

Stable under normal conditions.

#### 3. Possibility of Hazardous Reactions

no hazardous reactions known

### 4.Conditions to Avoid

Moist Air.

## 5. Incompatible Materials

Moist Air.

#### 6. Hazardous Decomposition Products

In combustion emits toxic fumes.

## 11. Toxicology information

1. Information				
Acute Toxicity	No information available			
Skin corrosion/irritation	No information available			
Serious eye Damage/irritation	No information available			
Respiratory or skin sensitisation	No information available			
Germ Cell mutagenicity	No information available			
Carcinogenicity	No information available			
Reproductive toxicity	No information available			
STOT-single exposure	No information available			
STOT-repeated exposure	No information available			
Aspiration hazard	No information available			

## 2. Additional

To the best of our knowledge the acute and chronic toxicity of this substance is not fully known. The toxicological properties have not been fully investigated

## 12. Ecological Information

## 1. Toxicity

No information available

## 2. Persistence and degradability

Biodegradable

## 3. Bio-Accumulative Potential

No information available

## 4. Mobility and Soil

No information available

## 5. Results of PBT & vPvB assessment

No information available

## 6. Other adverse effects

No information available

## 13. Disposal Considerations

## Safety Data Sheet

#### 1. Waste Treatment Methods

Consult state, local or national regulations for proper disposal.

Disposal of Packaging Disposal must be made according to official regulations.

#### 14. Transport Information

Disposal Operations

#### Air (ICAO)

Not classified as hazardous for transport

#### Road (ADR)

Not classified as hazardous for transport

#### Sea (IMDG)

Not classified as hazardous for transport

#### 15. Safety, health, environmental and national regulations

#### 1. Safety, health, environmental and national regulations:

product is not subject to any additional regulations or provisions

#### 2. Safety Assessment

No Chemical Safety Assessment

#### 16. Other Information

#### 1. Other Information:

ADR: Accord Europeen sur le transport des merchandises Dangereuses par Route(European Agreement concerning the International Carriage of Dangerous Goods by road) RID:Reglement International concernant le transport des merchandises dangereuses par chemin de fer (Regulations concerning the International transport of Dangerous Goods by Rail) IMDG: International Maritime Code for Dangerous Goods IATA: International Air Transport Association IATA-DGR: Dangerous Goods Regulations by the International Air Transport Association ICAO:International Civil Aviation Organization ICAO-TI: Technical Instructions by the ICAO GHS: Globally Harmonized System of Classification and Labelling of Chemicals CAS:Chemical Abstracts Service

#### 3. Disclaimer

The product listed is for research and development purposes only and not for human or animal use. As such, in most cases, the toxicological, ecological and physicochemical properties have not been fully determined and the product should be treated with respect and always handled under suitable conditions by appropriately qualified personnel. The responsible party shall use this datasheet only in conjunction with other sources of information gathered by them, and should make an independent judgement of suitability, to ensure proper use and protect the health and safety of employees. This information is furnished without warranty and any use of the product not in conformance with this material safety data sheet, or in combination with any other product or process, is the responsibility of the user.
