T: Identification c	of substance / mixture			
1. Product Ident	ifier			Mixture
Product Name	LB Broth Low Salt			
Product Code	L24060			
CAS Number				
Other Names	Lennox LB Broth			
IUPAC				
MFCD Number				
EC/EINECS				
REACH Number			Index-No	
2. Relevant iden	tified uses of the substan	ce or mixture and	uses advised against	
Research and De			Ū	
3. Details of the	supplier of the safety data	a sheet		
Melford Laborato	ries Ltd			
Bildeston Road,C	chelsworth			
lpswich		-		
Suffolk IP77LE		Telephone: Fax:	01449 741178 01449 741217	
UK		Email:	support@melford.co.uk	
4. Emergency te	elephone number			
+44(0)1449 7411	78 -			
2. Hazards Identi	ification			
1. Classification	of the substance or mixtu	ıre		
Non Hazardous				
2. Label element	ts			
Non Hazardous				
Hazard Stateme Non Hazardous	ints			
Precautionary P	Dhrasos			
Non Hazardous	1114303			
3. Other Hazards				
Non Hazardous				
3 Composition /	Information on Ingredients			
1. Substances				
Product Name		Hazards		Concentration
LB Broth Low Salt				
				<=100%
4. First Aid Meas	ures			
1. Description of first aid measures Skin Contact Wash immediately with plenty of soap and water.				
Eye Contact	Bathe the eye with running v	water for 15 minutes.		
Ingestion				

	Wash out mouth with water. Consult a doctor.	
Inhalation	Supply fresh air; consult a doctor in case of complaints.	
2. Most importar	nt symptoms and effects	
No data available		
	any immediate medical attention	
No data available		
5. Firefighting mea	asures	
1. Extinguishing	y Media	
Suitable	Water spray. Carbon dioxide. Alcohol or polymer foam. Dry chemical powder.	
Unsuitable	None	
2. Special Hazar	rds arising from the substance or mixture	
In combustion tox	kic fumes may form.	
	o Fightors	
3. Advice for Fire		
	ned breathing apparatus.	
Wear self-contain	ned breathing apparatus.	
Wear self-contain 6. Accidental Rele	ease Measures	
Wear self-contain 6. Accidental Rele 1. Personal Prec	aned breathing apparatus. ease Measures cautions 8 of SDS for personal protection details.	
Wear self-contain 6. Accidental Rele 1. Personal Prec Refer to section a Avoid breathing of	and breathing apparatus. ease Measures cautions 8 of SDS for personal protection details. dust	
 Accidental Release Personal Precentiation and the section and the se	and breathing apparatus. ease Measures cautions 8 of SDS for personal protection details. dust

 Wear self-contain Accidental Relet Personal Precention Avoid breathing of the section of the sectio	ase Measures cautions 8 of SDS for personal protection details. dust al Precautions e into drains or rivers. aterials sable, labelled salvage container for disposal by an appropriate method. e occurrence of secondary hazards. s immediately. Wear suitable PPE. Storage coutions Provide appropriate exhaust extraction where dust is formed. Normal measures for preventive fire protection. fires Dr safe storage, including any incompatibilities ge Risks Store in cool, well ventilated area.	
 Wear self-contain Accidental Relet Personal Precention of Avoid breathing and South and the Avoid breathing of Avoid breathing and South and the Avoid breathing of Avoid breath	and breathing apparatus. cautions 8 of SDS for personal protection details. dust al Precautions a into drains or rivers. aterials sable, labelled salvage container for disposal by an appropriate method. e occurrence of secondary hazards. s immediately. Wear suitable PPE. Storage ecautions Provide appropriate exhaust extraction where dust is formed. Normal measures for preventive fire protection. fires pr safe storage, including any incompatibilities ge Risks Store in cool, well ventilated area. s Keep container tightly closed.	

professionals only.

Safety Data Sheet

8. Exposure Controls/Personal Protection

1. Control Parameters

No Data Available

2. Exposure Controls	
General protective and hygiene measures	The standard precautionary measures should be adhered to when handling
Engineering measures	Provide appropriate exhaust extraction where dust is formed.
Eye / Face Protection	Safety Glasses. Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU)
Hand protection	Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose of contaminated gloves after use in accordance with applicable laws and good laboratory practices. Wash and dry hands. The selected protective gloves have to satisfy the specifications of EU Directive 89/686/EEC and the standard EN 374 derived from it
Respiratory protection	Where protection from nuisance levels of dusts are desired, use type N95 (US) or type P1 (EN 143) dust masks. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).
Skin protection	Choose body protection in relation to its type, to the concentration and amount of dangerous substances, and to the specific work-place., The type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.
Other personal protection advice	no data available

9. Physical and Chemical Properties

1. Physical and Chemical Properties

Appearance	tan solid
Odour	characteristic odour
Odour threshold	No Data Available
PH	No Data Available
Melting point / Freezing point	No Data Available
Initial boiling point and boiling range	No Data Available
Flash point	No Data Available
Evaporation rate	No Data Available
Flammability(solid,gas)	No Data Available
Upper/lower flammability or explosive limits	No Data Available
Vapour pressure	No Data Available
Vapour density	No Data Available
Relative density	No Data Available
Solubility(ies):	Soluble in water
Partition coefficient: n-octanol/water	No Data Available
Auto-ignition temperature	No Data Available
Decomposition temperature	No Data Available
Viscosity	No Data Available
Explosive properties	No Data Available
Oxidising properties	No Data Available

2. Other Information

No additional information available

1. Reactivity

no unusual reactivity

2. Stability

Stable under normal conditions.

3. Possibility of Hazardous Reactions

no hazardous reactions known

4.Conditions to Avoid

Moist Air.

5. Incompatible Materials

Moist Air.

6. Hazardous Decomposition Products

In combustion emits toxic fumes.

11. Toxicology information

1. Information				
Acute Toxicity	No information available			
Skin corrosion/irritation	No information available			
Serious eye Damage/irritation	No information available			
Respiratory or skin sensitisation	No information available			
Germ Cell mutagenicity	No information available			
Carcinogenicity	No information available			
Reproductive toxicity	No information available			
STOT-single exposure	No information available			
STOT-repeated exposure	No information available			
Aspiration hazard	No information available			

2. Additional

To the best of our knowledge the acute and chronic toxicity of this substance is not fully known. The toxicological properties have not been fully investigated

12. Ecological Information

1. Toxicity

No information available

2. Persistence and degradability

Biodegradable

3. Bio-Accumulative Potential

No information available

4. Mobility and Soil

No information available

5. Results of PBT & vPvB assessment

No information available

Safety Data Sheet

6. Other adverse effects

No information available

13. Disposal Considerations

1. Waste Treatment Methods

Disposal Operations Consult state, local or national regulations for proper disposal.

Disposal of Packaging Disposal must be made according to official regulations.

14. Transport Information

Air (ICAO)

Not classified as hazardous for transport

Road (ADR)

Not classified as hazardous for transport

Sea (IMDG)

Not classified as hazardous for transport

15. Safety, health, environmental and national regulations

1. Safety, health, environmental and national regulations:

product is not subject to any additional regulations or provisions

2. Safety Assessment

No Chemical Safety Assessment

16. Other Information

1. Other Information:

ADR: Accord Europeen sur le transport des merchandises Dangereuses par Route(European Agreement concerning the International Carriage of Dangerous Goods by road)

RID:Reglement International concernant le transport des merchandises dangereuses par chemin de fer (Regulations concerning the International transport of Dangerous Goods by Rail)

IMDG: International Maritime Code for Dangerous Goods

IATA: International Air Transport Association

IATA-DGR: Dangerous Goods Regulations by the International Air Transport Association

ICAO:International Civil Aviation Organization

ICAO-TI: Technical Instructions by the ICAO

GHS: Globally Harmonized System of Classification and Labelling of Chemicals

CAS:Chemical Abstracts Service

3. Disclaimer

The product listed is for research and development purposes only and not for human or animal use. As such, in most cases, the toxicological, ecological and physicochemical properties have not been fully determined and the product should be treated with respect and always handled under suitable conditions by appropriately qualified personnel. The responsible party shall use this datasheet only in conjunction with other sources of information gathered by them, and should make an independent judgement of suitability, to ensure proper use and protect the health and safety of employees. This information is furnished without warranty and any use of the product not in conformance with this material safety data sheet, or in combination with any other product or process, is the responsibility of the user.
