1: Identification o	f substance / mixture					
1. Product Identi	fier			Substance		
Product Name	SODIUM PHOSPHATE DI	BASIC ANHYDRO	OUS			
Product Code	S23100					
CAS Number	7558-79-4					
Other Names	S23100					
IUPAC						
MFCD Number						
EC/EINECS						
REACH Number	er Index-No					
2. Relevant identified uses of the substance or mixture and uses advised against For Research and Laboratory use only						
3. Details of the	supplier of the safety data s	heet				
Melford Laborator Bildeston Road,Cl	ies Ltd					
lpswich Suffolk		Telephone:	01449 741178			
IP77LE		Fax:	01449 741217			
UK		Email:	support@melford.co.uk			
<b>4. Emergency te</b> +44(0)1449 74117						
2. Hazards Identi	fication					
1. Classification	of the substance or mixture					
Non Hazardous						
2. Label element	S					
Non Hazardous						
NULLIAZALOUUS						
Hazard Stateme	nts					
Non Hazardous						
Precautionary P	hrases					
Non Hazardous						
3. Other Hazards						
Non Hazardous						
	nformation on Ingredients					
	inormation on ingredients					
1. Substances		<b>-</b>				
Product Name		azards		Concentration		
SODIUM PHOSPH	IATE DIBASIC ANHYDROUS					
	CAS Number: 7558-79-4			<=100%		
4. First Aid Measu	ures					
1. Description of	1. Description of first aid measures					
Skin Contact	Wash with plenty of soap and v	water.				
Eye ContactRinse opened eye for several minutes under running water. Consult a doctor.						
Ingestion						

Safety Data Sheet

	Safety Data Sheet	Modified: 2023-04-20			
	Wash out mouth with water. Consult a doctor.				
Inhalation					
2. Most importa	nt symptoms and effects				
No data available					
<b>3. Indication of a</b> No data available	any immediate medical attention				
5. Firefighting me	asures				
1. Extinguishing	y Media				
Suitable	Water spray. Carbon dioxide. Alcohol or polymer foam. Dry chemical powder.				
Unsuitable	None				
2. Special Hazar None	rds arising from the substance or mixture				
3. Advice for Fire	e Fighters				
Wear self-contain	ned breathing apparatus.

# Safety Data Sheet

The end use(s) have not been fully determined. The substance is supplied for Research and Development purposes by professionals only.

## 8. Exposure Controls/Personal Protection

#### **1. Control Parameters**

No Data Available

2. Exposure Controls	
General protective and hygiene measures	The standard precautionary measures should be adhered to when handling
Engineering measures	Ensure there is exhaust ventilation of the area.
Eye / Face Protection	Safety Glasses. Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU)
Hand protection	Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose of contaminated gloves after use in accordance with applicable laws and good laboratory practices. Wash and dry hands. The selected protective gloves have to satisfy the specifications of EU Directive 89/686/EEC and the standard EN 374 derived from it
Respiratory protection	Where protection from nuisance levels of dusts are desired, use type N95 (US) or type P1 (EN 143) dust masks. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).
Skin protection	Choose body protection in relation to its type, to the concentration and amount of dangerous substances, and to the specific work-place., The type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.
Other personal protection advice	no data

# 9. Physical and Chemical Properties

#### 1. Physical and Chemical Properties

Appearance	White powder
Odour	Odourless
Odour threshold	No Data Available
PH	No Data Available
Melting point / Freezing point	No Data Available
Initial boiling point and boiling range	No Data Available
Flash point	No Data Available
Evaporation rate	No Data Available
Flammability(solid,gas)	No Data Available
Upper/lower flammability or explosive limits	No Data Available
Vapour pressure	No Data Available
Vapour density	No Data Available
Relative density	No Data Available
Solubility(ies):	Soluble in water
Partition coefficient: n-octanol/water	No Data Available
Auto-ignition temperature	No Data Available
Decomposition temperature	No Data Available
Viscosity	No Data Available
Explosive properties	No Data Available
Oxidising properties	No Data Available

# 2. Other Information

No additional information available

10. Stability and Reactivity		
1. Reactivity		
no unusual reactivity		
2. Stability		
Stable under normal condition	ins.	
3. Possibility of Hazardou		
no hazardous reactions kno	vn	
4.Conditions to Avoid		
no specific conditions to ave	id	
5. Incompatible Materials		
Strong oxidizing agents.		
6. Hazardous Decomposi	ion Products	
In combustion emits toxic fu	nes.	
11. Toxicology information		
1. Information	no dete	
Acute Toxicity	no data	
Skin corrosion/irritation	No information available	
Serious eye	No information available	
Damage/irritation		
Respiratory or skin sensitisation	No sensitizing effect known	
Germ Cell mutagenicity	No information available	
Carcinogenicity	No information available	
Reproductive toxicity	No information available	
STOT-single exposure	No information available	
STOT-repeated exposure	No information available	
Aspiration hazard	No information available	
2. Additional		

To the best of our knowledge the acute and chronic toxicity of this substance is not fully known.

#### 12. Ecological Information

1. Toxicity

not known

# 2. Persistence and degradability

not known

### 3. Bio-Accumulative Potential

not known

#### 4. Mobility and Soil

not known

### 5. Results of PBT & vPvB assessment

not known

#### 6. Other adverse effects

not known

#### 13. Disposal Considerations

#### 1. Waste Treatment Methods

Disposal Operations Consult state, local or national regulations for proper disposal.

Disposal of Packaging Disposal must be made according to official regulations.

#### 14. Transport Information

#### Air (ICAO)

Not classified as hazardous for transport

#### Road (ADR)

Not classified as hazardous for transport

#### Sea (IMDG)

Not classified as hazardous for transport

#### 15. Safety, health, environmental and national regulations

#### 1. Safety, health, environmental and national regulations:

product is not subject to any additional regulations or provisions

#### 2. Safety Assessment

No Chemical Safety Assessment

#### 16. Other Information

#### 1. Other Information:

ADR: Accord Europeen sur le transport des merchandises Dangereuses par Route(European Agreement concerning the International Carriage of Dangerous Goods by road) RID:Reglement International concernant le transport des merchandises dangereuses par chemin de fer (Regulations concerning the International transport of Dangerous Goods by Rail) IMDG: International Maritime Code for Dangerous Goods IATA: International Air Transport Association IATA-DGR: Dangerous Goods Regulations by the International Air Transport Association ICAO:International Civil Aviation Organization ICAO-TI: Technical Instructions by the ICAO GHS: Globally Harmonized System of Classification and Labelling of Chemicals CAS:Chemical Abstracts Service

#### 3. Disclaimer

# Safety Data Sheet

The product listed is for research and development purposes only and not for human or animal use. As such, in most cases, the toxicological, ecological and physicochemical properties have not been fully determined and the product should be treated with respect and always handled under suitable conditions by appropriately qualified personnel. The responsible party shall use this datasheet only in conjunction with other sources of information gathered by them, and should make an independent judgement of suitability, to ensure proper use and protect the health and safety of employees. This information is furnished without warranty and any use of the product not in conformance with this material safety data sheet, or in combination with any other product or process, is the responsibility of the user.
